WESTCALL on (01189) 78 78 11

Patient Survey

A randomised survey was carried out in the surgery during September 2005 and we aim to repeat it in September 2006.

Our Patient Participation Group has completed a formal report which can be viewed on the surgery website www.crsurgery.co.uk or if you do not have access to the internet, please ask at reception and we will be happy to provide you with a copy.

Although most patients are very pleased with the surgery, an area of concern to patients is the availability of GPs and lengthy waiting times. We would welcome your views on this and any other matters at our Patient Participation Group meetings - everyone is welcome. Please ask for dates of future meetings.

Practice Based Commissioning

The commissioning of health services is now becoming the responsibility of GPs and we would be interested in your views on what services should be available and where.

Your opinion is valuable to us so please write to the surgery or e-mail us at crsurgery@hotmail.com

Locum Doctors

Whilst Dr Lennox is away on sabbatical we have two locum doctors in his place whom we would like to welcome to Chapel Row.

~

Dr Andrea Prior is in surgery on Mondays and Thursdays
Dr Sandeep Sandu is in surgery on Wednesdays and Fridays

Dispensary News

Sue Brown and Ann Gregory who work in the dispensary have gained their NVQ2 qualification in dispensing.

Congratulations to them both!

We Need Your Recipes

Thank you to everyone who brought in cakes for us to have for tea following our sponsored walk for breast cancer back in March. We were so inspired by the delicious cakes that we wondered about other favourite recipes patients and staff may know and love. Carole and Hilary are hoping to produce regular recipe sheets which will be available at the surgery and will accumulate into a folder full of tried and tested

"Chapel Row Recipes"

Please let us have your own favourites. We welcome all sorts of ideas, from the plain and simple to the more complicated and adventurous and from all areas of the world. We will include recipes for special diets, healthy food and the not so healthy just for treats!

Please bring them in to the surgery or e-mail them to hilarysp@googlemail.com

We look forward to trying some of them ourselves.

**Surgery Walk ~
September 9th
2006**

We are organising
another sponsored
walk on September 9th

Have a great summer and don't forget the
sun protection!
