Emergency Contact

When the surgery is closed, emergency treatment and advice can be obtained from WESTCALL on
0118 978 7811

If you have an accident, or need urgent attention, please telephone our reception first, as we do not always have a doctor or nurse on the premises.

In certain circumstances it may be more appropriate for you to attend the Minor Injuries Department at West Berkshire Community Hospital

Our reception staff will be able to advise you when you call, possibly saving you an unnecessary trip to the surgery.

Collecting Prescriptions

We will be closed for 4 days over the Christmas period

Please collect your Christmas order by Friday 16th December.

THANK YOU
